**A Game of Billionaires** Blair Babylon 2020-11-09 From USA Today Bestselling Author Blair Babylon . . . Book 1 in the Brand New Billionaires in Disguise: Maxence Series . . . "Phenomenal read!" "A can't put it down book for me." "Now THIS is what I consider phenomenal writing!" "Simply genius." "Oh, I am in love with Maxence!" Her ex-boyfriend was supposed to propose in Paris, but instead, he swindled her out of every penny she owned. Now, the hottest man she's ever seen swoops in, rescues her, and has an indecent proposal to get her on her feet, and on her back, and on her knees. FML. I will never believe anything a man tells me, ever again. Even if he is a 6-foot-4, hot, ripped, handsome as a movie star, filthy rich billionaire. I was a good girl with nothing left to lose, literally. My ex-boyfriend had stolen everything except a non-refundable plane ticket to Paris, so I got on the plane without him. After that, it was understandable that when I started drinking, things got a little out of hand. Luckily, a man intervened. He was so ripped that I could see every thick muscle of his abs, obliques, chest, and arms through the tight tee shirt he was wearing. He towered over the guys who were bothering me, and they backed off. I took him back to my hotel because I was full of drunken, bad decisions that night. The last thing I needed was a man who wanted to save me when I was trying to do all the wrong things. I hope you enjoy this starter book for Rogue, Billionaires in Disguise: Maxence #1! . . . . .. ☺☺☺☺"Maxence is everything I love in a romance novel - a whipsmart man with an anguishing call to serve that conflicts with his love for Dree. I was spellbound!" - New York Times bestselling author Julia Kent ~~~~~ "What a wild and sexy race through Paris! Rogue masterfully combines nail biting suspense with high steam for the ride of your life with Maxence and Dree." ☺☺☺☺ ~ USA Today bestselling author JJ Knight ~~~~~ ☺☺☺☺"Another masterpiece from Blair Babylon, who I am convinced keeps getting better and better. Max is not at all as I'd imagined him, and really it's no wonder, since he has been forced to repress who he is. The real Max keeps popping up his head, doing real-Max things that the other Max wishes he wouldn't do. He struggles with his inner demons to be a Godly man, but he hasn't quite figured out how to balance the different parts of himself, and as a result, tortures himself. He is a man searching for himself, impeded by too many bad guys who wish him harm. It's hard to focus on self-actualization while trying to simply survive without getting yourself killed." -- E.C., Goodreads Reviewer ~~~~~ "Blair's stories have always been hot but this one might be the hottest yet." ☺☺☺☺ -- Xtreme Delusions Book Blog ~~~~~ ☺☺☺☺ "I just couldn't stop reading! This book is addictive!" -- Kat, Goodreads Reviewer ~~~~~ "Rogue is a phenomenal romantic suspense that is sure to delight and entertain as it holds your heart and mind captive. Nothing can prepare you for the roller coaster ride that is Maxence. He will take you unawares and leave you completely breathless and wanting. If nothing else, you will learn why he is so addicting to the women that he meets." ☺☺☺☺ -- Words Are The Breath of Life Book Blog ~~~~~ ☺☺☺☺ "Good gosh! Author Blair Babylon is a master at building suspense. I have been eagerly awaiting Maxence's story for YEARS. Finally it arrives and I am practically salivating as I tear into the book, excited that I will finally learn the truth about the elusive Maxence. As I am reading, I am finding that Maxence's unveiling is happening at the rate of an excruciatingly slow strips tease. The end of "Rogue" finds me with almost as many questions regarding who Maxence is as the beginning of the book-- but I promise that slooowly he is starting to be unveiled. One thing that is made abundantly clear is that Maxence lives two polar opposite lives and this results in my finding myself even MORE intrigued by him. Now THIS is what I consider phenomenal writing!" -- Lil Miss Reads A Lot Book Blog

**Charles Dickens' the Mystery of Edwin Drood** Charles Dickens 2013-07-16 "A man is lucky if he is the first love of a woman. A woman is lucky if she is the last love of a man." The Mystery of Edwin Drood is one of the most celebrated books by the Victorian novelist Charles Dickens. It is basically a story of love, jealousy and murder with a detective tone. The beautiful orphan Rosa Bud is engaged to Edwin Drood, yet she is also secretly loved by her music teacher John Jasper, an opium addict who happens to be Edwin's uncle. While Rosa finds Jasper completely unsuitable for her and hates the way he treats her, Jasper informs her that he is foolishly enthralled by her and that he is ready to do anything to realize his dream. Furthermore, another young man named Neville Landless sees Rosa and falls in love with her too. Many events follow as Rosa's lovers go through different quarrels. One morning, the town learns about the mysterious murder of Edwin Drood and Neville Landless is suspected of the crime. The real murderer remains unknown to the readers, however, since Charles Dickens died before writing a conclusion to the book. Numerous attempts were made after Dickens's death to complete the story and different theories were developed to confirm that the true murderer is none but John Jasper.

**The Art of Homemaking** Daryl V. Hoole It is intended that women be happy and successful in their homemaking. Being a homemaker is a divine appointment and is a woman's greatest calling. It should be rich in the rewards of joy, satisfaction and accomplishment. All too often, however, women feel confused, distraught or bored with their role as homemakers. They frequently dread each day, live for the time when their children will be raised so they can be released from it all, or they escape from their responsibilities to their home and family and return to the business world. Other women do enjoy their homemaking activities but find their work consumes most of their day and there is little time for other interests. Many women are wonderful homemakers and managers but are eager for new ideas and skills to make their homemaking even more effective and satisfying. To all of these women, this book offers a practical guide to happier homemaking. It recalls to mind the significance of homemaking and gives their attitude a lift. When the suggestions concerning order and efficiency, methods and approaches are applied, coupled with the workable plan which systematizes the routine duties, women will find their interest in homemaking greatly increasing and that there will be time to get their work done and enjoy creative activities, family fun and personal development. This is not just a book on how to keep house; it offers a way of life which will bring joy and satisfaction to the homemaker and rich, happy experiences to every family member.
