*Brannigan's Building Construction for the Fire Service* Francis Brannigan 2010-02-22 Brannigan's Building Construction for the Fire Service, Fourth Edition is a must read for fire fighters, prospective fire fighters, and fire science students. This edition continues the Brannigan tradition of using plain language to describe technical information about different building types and their unique hazards. This text ensures that critical fire fighting information is easy-to-understand and gives valuable experience to fire fighters before stepping onto the fireground. The first edition of Building Construction for the Fire Service was published in 1971. Frank Brannigan was compelled to write the most comprehensive building construction text for the fire service so that he could save fire fighters' lives. His passion for detail and extensive practical experience

helped him to develop the most popular text on the market. His motto of: "Know your buildings," informs every aspect of this new edition of the text. Listen to a Podcast with Brannigan's Building Construction for the Fire Service, Fourth Edition co-author Glenn Corbett to learn more about this training program! Glenn discusses his relationship with the late Frank Brannigan, the dangers of heavy construction timber, occupancy specific hazards, and other areas of emphasis within the Fourth Edition. **From Buddy to Boss** Chase Sargent 2006 Whether youre a new officer or in need of a mentor, From Buddy to Boss: Effective Fire Service Leadership, is a must-have management book youll turn to over and over again. Fire service veteran Chase Sargent has taken his popular course and written a no-holds barred leadership book for the fire service in a conversational and easy-to-read style. He tells you how to accept and survive politics, deal with the fringe employees, and keep your cool -- tricks of the trade that usually takes years to acquire. In this book youll learn: \*\*\*Your credibility is a valuable currency that takes time to build up. What you do, not what you say, is the ultimate test of your credibility, reinforcing your expectations\*\*\* \*\*\*That leadership requires individuals and organizations to create an environment where people and their ideas can thrive\*\*\* \*\*\*How to use stories to impress upon our new members the necessity of doing certain things\*\*\* \*\*\*That the quickest ways to lose trust are to inconsistently apply and enforce rules and to allow your personal feelings to dictate what you will and wont enforce\*\*\* \*\*\*Why leading by example and from the front, doing not saying, is critical to you success\*\*\* Reading From Buddy to Boss is like turning to a trusted friend for wisdom and advice you can count on to improve your job performance. Use this book to master your leadership as well as your management skills and successfully make the transition to boss.

**Essentials of Firefighting** Beth Ann Fulgenzi 2008 This study guide may be used to supplement both the basic Essentials of Fire Fighting (5th edition) manual and the Essentials of Fire Fighting and Fire Department Operations (5th edition) manual. The questions contained in this study guide are intended to help students check their own learning progress as they read the book and advance through it or a training course. Questions are provided in a multiple-choice format because it is the most common type of question format used in fire service testing processes. The heavy-duty wire binding allows the study guide to lay flat. The questions in each chapter are separated into Fire Fighter I and II sections so that students can focus on the level they are currently pursuing. The questions also reference the page where the relevant information may be found in the main manuals. The answers are listed in the back of the manual according to chapter and level.

**Hot to the Touch** Jaci Burton 2019 Love burns white-hot in this first scorching romance in an all-new trilogy about a family of firefighters from the New York Times bestselling author of the Play-by-Play novels and the Hope series. Firefighter Jackson Donovan doesn't look back--as a rule. So when his past comes roaring back to life in the form of not-so-damsel-in-distress Becks Benning, the last thing he wants to do is relive old times. No matter how tempting she makes it seem... Now thanks to his two interfering brothers, Becks is living with them while she looks for a new place and tries to pick up the pieces of her tattoo business that went up in flames. Which means a grown up, smokin' hot Becks is in his house, sharing meals, and digging up old wounds. And despite his better judgement, the more time he spends with this smart, artistic, incredible woman the more he wants her in his bed--and his future. Becks always had it bad for Jackson. Unfortunately for her, not much has changed--he's still honorable, hard-working, sexy as sin--and closed off. But there's more than one way to get to a man's heart and if Jackson doesn't want to recall old memories, she'll just have to help him make new ones. Because now that she's found Jackson again, she's not letting him go.

**Fire and Emergency Services Company Officer** IFSTA 2014-11-14 This new IFSTA manual details the training required of Company Officers according to NFPA® 1021, Standard for Fire Officer Professional Qualifications, 2014 Edition. The manual is divided into two sections to make a clear distinction between the information needed for Fire Officer Level I and Fire Officer Level II. Both print and eBook formats are available. There is no shortage of issues that a company officer might face in the everyday operation of a fire company or unit. This manual addresses the wide range of topics and issues encountered by a company officer, from leadership and supervision to health and safety issues. Great attention was given to focus on the job performance requirements of NFPA® 1021. The fifth edition of Fire and Emergency Services Company Officer builds on the previous edition of the manual while presenting the material in a more concise manner to make it easier for students to read and instructors to teach. By merging related topics, the number of chapters was reduced from 32 in the fourth edition to 17 in the new manual while preserving the material related to the NFPA® standard. The number of appendices was reduced from 20 to 4 by removing information that can be found in other media. Along with reducing the volume of material from the fourth edition, the fifth edition of Fire and Emergency Services Company Officer offers several new features. The manual features a new look with IFSTA's single-column format and upgraded and updated curriculum components. Learning activities are included to help instructors present the material to their students. Case Histories open each chapter to illustrate important lessons learned in the real world. Photographs, illustrations, and tables are included throughout the manual to illustrate key points and improve the overall instructional value of the material.
