All Those Explosions Were Someone Else's Fault James Alan Gardner
2017-11-07 Monsters are real. But so are heroes. Sparks are champions of weird science. Boasting capes and costumes and amazing super-powers that only make sense if you don't think about them too hard, they fight an eternal battle for truth and justice . . . mostly. Darklings are creatures of myth and magic: ghosts, vampires, were-beasts, and the like. Their very presence warps reality. Doors creak at their approach. Cobwebs gather where they linger. Kim Lam is an ordinary college student until a freak scientific accident (what else?) transforms Kim and three housemates into Sparks—and drafts them into the never-ending war between the Light and Dark. They struggle to master their new abilities—and (of course) to design cool costumes and come up with great hero-names. Turns out that “accident” was just the first salvo in a Mad Genius's latest diabolical scheme. Now it's up to four newbie heroes to save the day, before they even have a

chance to figure out what their team's name should be!

2011-03-01 The world had become used to the metahumans-people sometimes perfectly ordinary, but sometimes quite extraordinary in appearance-who mostly worked with their governments as high-powered peace officers, fighting crime, and sometimes fighting rogue metahumans who had become super-criminals. Then that comfortable world ended in just one terrifying day. Suddenly, all world governments were simultaneously attacked by soldiers in giant mecha robotic suits with the swastika symbol of the Third Reich on their metal arms. If these were Nazis, where had they been hiding since the end of World War II? And where had they gotten armor and weapons far in advance of anything on the planet? Weapons against which even the metahuman heroes seemed to be helpless... At the publisher's request, this title is sold without DRM (Digital Rights Management).

Hunter Circles Series Complete Boxset

Jessica Gunn 2020-11-29 Bound by duty. Marked by fate. I'm Krystin Blackwood, and I've only ever been good at one thing: killing demons of Darkness. But at twenty-four, I'm about to face my toughest challenge yet: shifting from working alone to joining a team of three other Hunters. Newbie Hunters. They don't know their magik, they barely know their place in the world, and when they find out the secrets I've been carrying, they'll definitely decide it's safer if they don't know me. But unfortunately for them—and me—Darkness has other plans. Lady Azar, Darkness's heir, stole my new team leader's son two years ago. Now, she and her lackeys are rallying to exchange Ben's son for me because of the power I wield. I'm one-half of a prophecy to save an ancient city the Powers of Good lost centuries ago. And if I fail or die before that happens, the destruction of that city will be felt across all planes of existence. If we can't find Ben's son before All Hallows' Eve and somehow save him without putting my life at risk, that existential explosion will absolutely happen. But it'll be nothing compared to the destruction wrought if Lady Azar changes Ben's son into a demon... and her minion. Because the only thing more dangerous than me with a blade is a father's wrath. This complete series boxset contains all five books of the Hunter Circles Series: *The Hunted*, *The Traitor*, *The Changed*, *The Hero*, and *The Power*. All are full-length 60k+ urban fantasy adventure novels full of non-stop action-packed adventure and demon-fighting, magic, gray anti-heroes, a slow-burn romance, and a story full of heart from the very first page. 2021-05-18 The verdict echoed through the hushed courtroom. Those gathered exploded in accusations and anger, casting blame and doubt in a wide swathe. The judge looked on stoically, as if she didn't just deliver the fate of the one accused of killing her loved one. Would I ever have that courage, that iron-bound service to duty? I didn't see how I could, and I hoped I'd never have to. But I knew the reverberations of what happened today in this courtroom would be felt for a long time to come. Would the Dragon Kingdom ever be the same again?
