**Twinsight** Dara Lovitz 2018-03-01 It's a fact: twins experience life differently than singleton children.

They're compared to each other in everything from athletics to academics. They encounter unique social issues (what happens when one child is

invited to a social outing while her twin is not?). They can even have difficulty forming deep relationships outside of the twinship. Yet no book effectively helps parents navigate these unique emotional challenges—until now. In the first book written on the emotional needs of twins, *Twinsight: How to Raise Emotionally Healthy Twins* bypasses the usual discussions on how to pay for two tuitions (a conundrum, to be sure!) and instead tackles deeper questions: How do you help twins feel like individuals? Should they be expected to be each other's caretaker? How can a parent avoid comparing? How can you encourage relationships outside the twinship? and more! Drawing on over eighty interviews with adult twins and their non-twin siblings, as well as expert insights from educators and psychologists and exhaustive research, author Dara Lovitz offers parents a definitive roadmap to raising emotionally

healthy twins now and into the future.

### **How I Slept My Way to the Middle** Kevin Pollak

2013-11-05 *How I Slept My Way to the Middle* winningly combines never-before-heard stories featuring A-list entertainers with fan favorites and Kevin's own thoughts about how he made it. He turned down his first invitation to do stand-up on *The Tonight Show* because he knew that he'd make a bigger impact if he sat on the couch next to Johnny. That huge risk—which paid off in spades—was just the beginning. Find out how he brought John Belushi to his knees, tortured Paul Reiser (twice), bamboozled Larry King, stole Alan Arkin's soul, almost killed Warren Beatty, and sucked face with Robert DeNiro's girlfriend. Now a new media entrepreneur, he's laughing proof that if you follow your gut and believe in yourself, you can do anything you want—except have a rational conversation with Rip Torn, who's an evil, paranoid

**Ten Teen Tales** Emma Lorival 2012-10-01 TEN TEEN TALES are beautiful memories from my experience as a teacher. They are lessons of life that I want to share with teachers, students and parents who wish to enrich their lives and thrive. Here you have some excerpts from the book: From CHAPTER ONE: There he was, flying through the air, three flips, he made, said an eyewitness. He felt his body dashed against the concrete of the avenue, but he cared for his vehicle so he stood up, walked ... Later he exclaimed he was allergic to death, read how and why. FROM CHAPTER FIVE: When they knew I was the teacher who gave their son that first "A" in the only subject where he was able to get it, they asked me in disbelief how that happened. "He's a good student, you can see it now, ..." Some parents are unaware of what they say to their children, their sayings are law for them, so

now you might be conscious about it. FROM CHAPTER SEVEN: I'd rather be married to an Event Planner than to a lawyer, I prefer to prepare a joyful occasion instead of a great trial. Choose what you want to be what you want to do with lightened and clean heart, that way you'll enjoy your life.

**The Call of Stories** Robert Coles 2014-12-09 From the Pulitzer Prize-winning author of *Children of Crisis*, a profound examination of how listening to stories promotes learning and self-discovery. As a professor emeritus at Harvard University, a renowned child psychiatrist, and the author of more than forty books, including *The Moral Intelligence of Children*, Robert Coles knows better than anyone the transformative power of learning and literature on young minds. In this “persuasive” book (*The New York Times Book Review*), Coles convenes a virtual symposium of college, law, and medical school students to explore the phenomenon of storytelling as a source of values and character. Here are transcriptions of classroom conversations in which Coles and his students discuss the impact of particular works of literature on their moral development. Here also are Coles’s intimate personal reflections on his experiences in the civil rights

movement, his child psychiatry practice, and his interactions with his own literary mentors including William Carlos Williams and L.E. Sissman. The life lessons learned from these stories are of special resonance to doctors and teachers looking to apply them in classroom and clinical environments. The rare public intellectual to be honored with a MacArthur Award, a Presidential Medal of Freedom, and a National Humanities Medal, Robert Coles is a true national treasure, and *The Call of Stories* is, in the words of National Book Award winner Walker Percy, “Coles at his wisest and best.”

**The House On Prague Street** Hanna Demetz 2016-03-29 The House on Prague Street is a story

told with translucent simplicity and freshness. It is a story of haunting innocence and terrible devastation, of lost love, of survival. It has an impact we have not felt since *The Diary of Anne Frank* and John Hersey's *The Wall*. In pre-World War II Czechoslovakia, Helene Richter's childhood glows with an idyllic richness and grace. Summers are spent in grandfather's great house on Prague Street, tranquil, shimmering days, strung together like shining jewels. Until the war. As the half-Jewish Helene reaches adolescence, her serene existence becomes a holocaust of disintegration and death. Her uncles, aunts, cousins are gone—to a place called Theresienstadt, from which they send postcards once a month with the same message: we are well we are healthy thinking of you how are you. As the war comes inexorably closer to her German father and her Jewish mother, Helene falls in love. But the war will close in on that love too...

*Let's Pretend This Never Happened* Jenny Lawson  
2012-04-17 The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. “Gaspingly funny and wonderfully inappropriate.”—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to

think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives.

**No Wonder My Parents Drank** Jay Mohr

2010-05-11 YOU'LL NEVER SLEEP IN THIS TOWN AGAIN From Saturday Night Live to stand-up, from a blockbuster film career to the star of CBS's hit television show Gary Unmarried, Jay Mohr is one of the funniest people in comedy today. Now, in this down and dirty tale of modern fatherhood, Mohr shares his stories as a first-time parent. *No Wonder My Parents Drank* reveals the details behind Mohr's humiliating test-tube conception attempts and then recounts the trauma of not only having to keep this child alive, but having to spend time alone with him! He waxes poetic about dirty diapers; spins theories on

spanking; and mulls over the more hidden advantages of parenthood, like carpool lane access, carte blanche to use the ladies restroom, and an alibi for missing family dinners. Mohr describes, in painfully funny detail, the bizarre situations that all parents inevitably face but can never prepare for (such as when his kid discovered his dog's rear end) as well as moments of pure joy like taking his son to his first baseball game. Mohr reports on the hilarious wisdom that his son, Jackson, has taught him—like why it's fun to play "Kissy Boy" with the other boys at recess, how important sunscreen is for avoiding a "sunborn," and how awesome it is to get a "rainbow belt" in karate. Riotously acerbic and refreshingly honest, *No Wonder My Parents Drank* casts the very funny Jay Mohr with an even funnier mini-me sidekick as a supporting character in a little comedic love story that every person who either is a parent or has a parent will find

delightful.

Little Edens: Stories Barbara Klein Moss 2005-01-17  
"Each of Moss's surprising, beautifully constructed, and soulful stories brilliantly illuminates the paradox of paradise." —Booklist These eight magical stories address the Edenic spaces that people create in their lives and the serpents that subtly inhabit them. In "Rug Weaver" (selected for Best American Short Stories 2001) an Iranian rug dealer makes a paradise of his prison cell by weaving an elaborate rug in his mind. Grieving parents in the title story transfigure a luxury subdivision in southern California into a vision of heaven. And in the novella "The Palm Tree of Dilys Cathcart" an unlikely love story unfolds between an Orthodox Jewish butcher and a lonely English piano teacher, who discovers a hunger for intimacy and ritual as she helps the butcher transcribe the mysterious songs he hears in his head. These and other stories

constitute an elegant and richly evocative collection about the complexities of worldly and spiritual desires. Reading group guide included.

**Gasping for Airtime** Jay Mohr 2004-06-09 When 21-year-old Jay Mohr moved from New Jersey to New York City to pursue his dream of stand-up stardom, he never thought the first real job he'd land would be on Saturday Night Live. But, surprisingly, that's just what he did. What followed were two unbelievable, grueling, and exciting years of feverishly keeping pace with his talented cohorts, out-maneuvering the notorious vices that claimed the lives of other cast members, and struggling at all costs for the holy grail of late-night show business: airtime. In *Gasping for Airtime*, Jay offers an intimate account of the inner workings of Saturday Night Live. He also dishes on the guest hosts (John Travolta, Shannen Doherty, Charles Barkley), the musical guests (Kurt Cobain, Steven Tyler, Eric Clapton), and of course his SNL castmates (Chris Farley, Adam Sandler, Mike

Myers, and David Spade). Refreshingly honest and laugh-out-loud funny, this book will appeal both to fans of Jay Mohr and to devotees of Saturday Night Live.

*Earning My Parents' Love* Michael Williams

2014-02-21 What makes this story extraordinary is the author tells it from the perspective of being in the experience as a child. In this book, it is easy to

see how childhood experiences often hold adult answers. The reader of this story innocently ends up assessing his or her own upbringing. The story speaks to anyone who has ever had parents. In this story, we realize that sometimes we just have to return to childhood in order to say good-bye. While this book makes us laugh & cry, its true power comes through family redemption! This is a rare work because it is told entirely in the voice of a child who is untiringly trying to earn his parents love while also trying to grow up. It is a luminous demonstration of family emotions. When childhood is a struggle for survival there is scant energy left for growing up. This book movingly reveals the consequences of that type childhood and offers deliverance. The genesis of the story is the author could not remember his childhood; it was suggested he start writing from his earliest recollection as a way of nurturing childhood memories. When he

did, the voice of the child he once was, was passionate & direct. The author grew up in a home of alcoholism, violence, and dysfunction; yet, had no idea this experience created its own evolving trauma.

Based on the wildly popular website, My Parents Were Awesome shares heartwarming and hilarious essays by sons and daughters—including Jamie Deen, Christian Lander, Dave Itzkoff, Katherine Center, Laurie Notaro, and Holly Peterson—who tell tales of their folks before babies, mortgages, and receding hairlines: the mom and dad who traveled by VW bus to see Led Zeppelin for \$1, the grandmother whose halter top and shorts belied her perfect

*The Secret of the Old Warehouse, And Other Stories* Imelda Rose Kaufman 2019-06-24 Jacob Malloy was a strong, energetic lad of thirteen who lived with his family in the small suburb of Baytown. His life was far from boring because school and church always provided plenty of activities. However, being of an inquisitive nature, Jake was ever ready for something new and different. He was intrigued by an old, abandoned warehouse near the railroad tracks. What it had been used for originally, he had no idea, but he was itching to get inside and look around. Surely, there must be something of interest in that old building! Any chance of his being able to satisfy his curiosity, however, seemed nonexistent because the windows were boarded up. Imagine his surprise when one Saturday on his way to his friend's house, he noticed that one of the boards had come loose and was hanging by a nail! This was an opportunity not

to be missed! He convinced his friend, a rather reluctant Joe Reilly, to accompany him on this adventure. Together, they managed to open the window and squeeze through it. The boys found that though seemingly abandoned, the building was not vacant! Their adventure turned deadly when they were discovered and imprisoned! The story shifts back and forth from them to their frantic parents and friends and the efforts made to find them. There is a story within the story as friends, Robert and Jonathan, and their parents have an adventure of their own and make a life-changing discovery.

this, often humorous, walk down memory lane. Find out: Why an apple rolled down the Isle of the Putney church, If Ed got the point, Where Gobbler's Knob is, Who cooked Steve's duck, Where did Jody get that prize beagle, What was Jerry's surprise, Why Emma's play was canceled,

How David got into such a tight situation, Why did Jesse James get kicked out of school, Who in the world is “Pampers,” Why did Raymond un-quit, How come Larry’s Lincoln was only a two speed, And who Sparky is. We survived, with some wonderful memories. This teenage stuff isn’t always easy, but it can be great fun. Teenagers are a strange mixture of hormones, guts and uncertainty. Add in a healthy dose of orneriness, a lot of rock-and-roll, a dance step or two, a few likeminded friends and you’ll get trouble enough. If however, you throw in, a little coal dust, a swimming hole, a taste of Roy’s moonshine, a bunch of school skipping, some military service, red blue jeans, Judy’s bottle of Listerine, and a thick layer of snow and ice, then you have real West Virginia Coal Camp trouble. To say that we grew up poor is an understatement, but don’t forget, we grew up in a great country that afforded us luxuries and

opportunities that make us seem very wealthy in the eyes of most of the world. For that I am very grateful. “Coal Camp Teens” weren’t so different from other teens, or were they? The rich culture of the mines and the hills, blended together to fashion people who were especially strong. No one ever said that teenage years were easy. Sure there were fun times and memories that will be cherished for the rest of our lives. There were also lessons to be learned. Learning lessons is especially hard when you think you already know it all. There is nothing good about a paddling, unless you learn something from it. There is not much good that can be said about war, except when it is necessary to preserves our freedom. In much the same way, the trials and temptations that filled our teenage years are nothing to brag about, except that they made us what we are today. “Coal Camp Teens” explores the strange world of the teenager. In particular, the

teenager growing up in the coal camps of Campbell's Creek, West Virginia.

**The Glass Castle** Jeannette Walls 2006-01-02

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection

in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

**The Burden Within** Christopher G Thompson 2022-03-31 Born into a wealthy family in England in 1942, Christopher could've expected a privileged life. It was not to be. At six years of age, he entered boarding school. The burden of undiagnosed dyslexia led to an aversion to schoolwork, and violent sexual abuse from a fellow boarder became the impetus for leaving school. He embarked on a life of hard manual labour, before returning to his parents' farm, but continual frustrations between him and his father culminated in a stint of involuntary commitment. On release in 1964, he left for Australia as a '10 Pound Pom'. For the next ten years, he roamed Australia – working in its cities, rural towns, and outback. But a rolling stone

gathers no moss. Christopher, the adventurer, insidiously became a hard-working, hard-drinking and hard-playing drifter on a downward spiral. In 1973, on a remote aboriginal settlement in the Northern Territory, new things impacted him and became the impetus for him to think he may have a future – if he survived. True stories provide insight into the tortuous journey of a lonely, insecure child and young man in England; a unique view through the eyes of an immigrant drifter in Australia; and the rollercoaster ride of reintegrating himself into mainstream society.
