Forever & Always Jasinda Wilder 2013-12-20 Ever, These letters are often all that get me through week to week. Even if it's just random stuff, nothing important, they're important to me. Gramps is great, and I love working on the ranch. But... I'm lonely. I feel disconnected, like I'm no one, like I don't belong anywhere. Like I'm just here until something else happens. I don't even know what I want with my future. But your letters, they make me feel connected to something, to someone. I had a crush on you, when we first met. I thought you were beautiful. So beautiful. It was hard to think of anything else. Then camp ended and we never got together, and now all I have of you is these letters. S**t. I just told you I have a crush on you. HAD. Had a crush. Not sure what is anymore. A letter-crush? A literary love? That's stupid. Sorry. I just have this rule with myself that I never throw away what I write and I always send it, so hopefully this doesn't weird you out too much. I had a dream about you too. Same kind of thing. Us, in the darkness, together. Just us. And it was like you said, a memory turned into a dream, but a memory of something that's never happened, but in the dream it felt so real, and it was more, I don't even know, more RIGHT than anything I've ever felt, in life or in dreams. I wonder what it means that we both had the same dream about each other. Maybe nothing, maybe everything. You tell me. Cade ~ ~ ~ Cade, We're pen pals. Maybe that's all we'll ever be. I don't know. If we met IRL (in real life, in case you're not familiar with the term) what would happen? And just FYI, the term you used, a literary love? It was beautiful. So beautiful. That term means something, between us now. We are literary loves. Lovers? I do love you, in some strange way. Knowing about you, in these letters, knowing your hurt and your joys, it means something so important to me, that I just can't describe. I need your art, and your letters, and your literary love. If we never have anything else between us, I need this. I do. Maybe this letter will only complicate things, but like you I have a rule that I never erase or throw away what I've written and I always send it, no matter what I write in the letter. Your literary love, *Ever Laurel's Bright Idea* Jasinda Wilder 2021-04-22 Laurel McGillis has a secret: she's a hopeless romantic. She'll deny it up one side and down the other, and all evidence points to the contrary, but it's true. Her deeper secret: she's desperately hoping to be the third victim of The Ad. In this case, Laurel's two secrets are about to cross paths, in the steamiest, most romantic way she could possibly imagine.

Yours Jasinda Wilder 2016-05-06 When my husband Oliver died, my life ended. My purpose, my passion, my everything bled out with him on the side of the Pacific Coast Highway. Ollie was an organ donor. His eyes, his brain, his lungs, his heart...parts of my Ollie went out and saved lives. Then his heart, beating in another man's chest, found its way back to me, and I found myself faced with an impossible choice: hold on to the pain and beauty of the past and the memory of the man I loved, or reach for a bold new future, knowing each heartbeat will be a reminder of all I've lost. * * * I wasn't supposed to live past thirty. My grandfather died at forty-five. Heart failure. My father died at thirty-eight. Heart failure. The doctors told me my whole life that I wouldn't see my thirty-

first birthday. My heart was going to give out. It was just a matter of time: a rare blood type and an unusually large heart meant essentially zero chance of a transplant. I proved them all wrong...by dying on my thirty-first birthday. And then I woke up, alive, with another man's heart inside my chest, and his widow on my conscience. I spent my whole life preparing for death, and now I have to learn how to live. Only, as I soon discovered, living is the easy part. Loving, and allowing myself to be loved...well, that's a whole lot harder. *Falling Into Us* Jasinda Wilder 2013 A standalone, parallel novel to the New York Times, Wall Street Journal, and USA Today Bestselling *Falling Into You*. THE STORY YOU THOUGHT YOU KNEW... When Kyle Calloway died, he took a part of Nell with him. She wasn't the only one left to pick up the pieces, however; Kyle's death left a gaping hole in the hearts and lives of his parents and his older brother Colton, and ultimately broke the will of the girl he loved. THE STORY YOU NEVER IMAGINED... Becca de Rosa is Nell's best friend. When Kyle died, Nell was so devastated that no one could reach her, not even her best friend Becca. As she tries to help Nell through her grief, Becca's own life is thrust into turmoil, and everything she knows is changed. Jason Dorsey asked Nell out the week after her sixteenth birthday, but that date never happened. Instead, he ended up going out with Nell's best friend, Becca. He had no way of knowing, then, how that one date would send him on a life-long journey with Becca. He had no way of knowing the tragedies and triumphs he would experience, or that in Becca, he might find the love of a lifetime. THE HEARTACHE YOU'LL NEVER FORGET...

Sigma Jasinda Wilder 2022-01-14 The night it happened, it seemed like an impossible nightmare. There was no name on the note. No hint of identity or reason or anything. A single word, on the notes line: "She." Just those three letters. The next day, I received another note. It too contained a single word: "belongs." A third note, the next day. This time, two words. Four letters. "To me." Ten million dollars, or our daughter would die. And then, there was a knock on my door. A sleek black limousine sat on the curb in front of my house. A driver stood in front of me, and he spoke six words: "It's time to pay your debt." Would you have gotten in? I did. It turns out there is no happily ever after for us.

Beautiful and talented, just like her mother. And just like Nell, my daughter seems to have fallen for a bad boy, one with a lot of darkness and a lot of secrets. * * * You thought you knew the whole story. You thought it was over. Happily ever after for everyone. You were wrong. My name is Oz Hyde, and you've never met me. I'm part of the story, too, but I'm an aside, a quick line or two you'd all but forgotten about. Big Girls Do It Better Gorgeous, rock-star guys like Chase Delany don't go for girls like me. They go for supermodels and actresses, skinny-girls who never eat and spend all day working out. It was the second night I spent with him that I'll never forget. Big Girls Do It Wetter Chase went to New York...without me. I discovered the answer, but that only spawned even more questions, many of the yes or no variety...

Wish Upon A Star Jasinda Wilder 2021-10-15 Grandma always said dying is the the easy part; it's the living that's hard. I've been fighting to live since I was seven years old, and now the doctors say I'm gonna lose that battle soon. I've crossed off just about everything on my bucket list—I've seen the Eiffel Tower and the Coliseum and I've been swimming in the Caribbean; I've lived like I'm dying, because I am. There's just one thing left on my list: I want to be a bride. I want to wear white and have my dad walk me down the aisle. I want a first dance and cake and a night to feel like a princess...and I want it with Westley Britton. The perfect guy. Musician, actor, and every girl's dream man. My dream man. Only, he doesn't even know I exist. It's the start of a strange, improbable fairy tale. When you're talking about terminal leukemia, happily ever after seems impossible, but when your celebrity crush and the man of your dreams shows up out of the blue and proposes to you, it makes you feel like anything is possible. Even that hardest thing: living.

Autumn Rolls A Seven Jasinda Wilder 2021-03-25 Autumn Scott is the second woman at Six Chicks Real Estate to fall victim to The Ad: "Beautiful, successful single woman in search of a wealthy, handsome man to help her get pregnant the old-fashioned way. Financial validation a must. Serious inquiries only. DM for more info." Problem number one? It works, a little too well, one could argue. Problem

number two? Autumn has a dark, tragic past keeping her from trusting men at all, let alone wanting a baby with one. Problem number three? Seven St. John doesn't take no for an answer, in the sexiest possible way.

Falling Into You Jasinda Wilder 2014-11-13 I wasn't always in love with Colton Calloway; I was in love with his younger brother, Kyle, first. Kyle was my first one true love, my first in every way. Then, one stormy August night, he died, and the person I was died with him. Colton didn't teach me how to live. He didn't heal the pain. He didn't make it okay. He taught me how to hurt, how to not be okay, and, eventually, how to let go. Nell Hawthorne is in love with her life-long best friend, Kyle Calloway. Things are great, and they're in love, young, full of promise. Then Kyle dies in a tragic accident and Nell is forever changed. She meets Kyle's older brother Colton at the funeral, and there's a spark, but it's wrong and they both know it. The moment passes, and they both move on with life. A couple years later, they meet again in New York City, and Colton realizes that Nell has never really gotten over Kyle's death, and seems to be harboring a deeply rooted pain, something like guilt, perhaps. He knows he shouldn't get involved, but he can't help himself. Trust doesn't come easily for either of them, and they both have demons, Colton especially. Together, they learn the purpose of pain and the meaning of healing, and the importance of forgiveness.

The Cabin Jasinda Wilder 2021-01-21 One year ago, I buried my husband. One year ago, I held his hand and said goodbye. Now I spend most of my days lost somewhere between trying to remember every smallest detail of our lives, and trying to forget it all. I fill my hours with work until I'm too exhausted to remember him, to feel anything at all. One year, 365 days—and then one knock at my door changes everything. A letter from him, a last request, a secret will: My dearest Nadia, Trust me, my love. One last time, trust me. Sometimes the epilogue to one story is the beginning of another.

Captured Jasinda Wilder 2014-08-12 Love is never easy. It's especially difficult when you love a Marine. I knew the risk when I said "I do," but I chose to love anyway. In a flash, he was taken from me, and now I'm alone. Struggling and desperate. There's no hope, no future. Just the endless cycle of day-to-day survival. But a letter returned could change all of that. Hope and love often come from the last place you'd think to look, when you least expect it. * * * I was a lost, broken soul, tortured by the memories of what I'd endured. When I visited that old farmhouse in rural Texas, all I wanted to do was return the letter. Keep a promise to a friend. What I got was healing. Understanding. The chance to find a measure of peace when all I've ever known is war. We both lost everything. But in each other, we found something worth fighting for.

Alpha One Security Jasinda Wilder 2019-12-07 Nicholas Harris is a professional badass. Ex-Army Ranger, former personal security for the one and only Valentine Roth, mercenary, assassin, pilot, and my lover. After Roth and Kyrie holed up in their island fortress estate in the Caribbean, Nick started a private security contracting company: Alpha One Security. He hired the best of the best, the scariest, nastiest, toughest—and sexiest—security experts in the business. And oh yeah, there's little ol' me: Layla Campari, mercenary-in-training. *** Thresh. Just the name suggests power, dominance, danger...and the man himself? Oh man. I've never met anyone like him. Larger than life, exuding raw power. He's a mountain of rugged, masculine sex appeal. But I have walls that no man, no matter how big he is, has ever been able to break through. Thresh doesn't know how to take "no" for an answer, though. He's determined to get past all my defenses and show me what I've been missing. Can Thresh singlehandedly take on armed and dangerous men out to kill us AND my freight train of emotional baggage? *** Under ordinary circumstances, waking up bound and gagged next to a hot guy wouldn't be the worst thing that's ever happened, but these aren't ordinary circumstances. There's guys with guns after us...LOTS of them—both the guns and the guys. Fortunately, Duke Silver is a hard-core badass, because it's going to take every last shred of skill he has as a killer commando to keep us both alive, and even then, nothing's a sure thing.

Wounded Jasinda Wilder 2013-05-06 War has taken everything from me. My family. My home. My innocence. In a country blasted by war and wracked by economic hardship, a young orphan girl like me has very few options when it comes to survival. Thus, I do what I must to live, to eat, and I try very hard to not consider the cost to my soul. My heart is empty, and my existence brutal. The one impossibility in my life is love. And then I meet HIM. *** War is hell. It takes a chunk out of a man's very soul to do the kinds of things war demands of you. You live with fear, you live with guilt, and you live with nightmares. If you haven't been through it, there's no understanding it. War leaves no room for love, no room for tenderness or softness. You gotta be hard, closed off, and ready to fight every moment of every day. Lose focus for a split second, and you're dead. Now the only thing that can save me is HER.

Saving Forever Jasinda Wilder 2014-02-14 Ever and Cade, Sorry I vanished like I did. I'm not sure I can even explain things. I don't know when I'll be back. IF I'll be back. I'm not sure of anything, except that I love you, Ever. You're my twin, my best friend, and leaving you was the hardest thing I've ever done. I know you don't understand. Maybe you never will. I hope you don't, honestly. It would be easier that way. That's cowardly, I'm sure. Cade, take care of her. Love her, the way she deserves. The way you always have, for forever and always. If I could ask you anything, it's that you remember me as I was, and forget me as I am. I'm sorry, and goodbye, and I love you. Eden

Nailed Jasinda Wilder 2018-12-07 RYDER: You are the most beautiful woman I've ever seen, Laurel. And if that's all of you I ever get to see, I'll be the luckiest man in the world for having seen it. I swallow hard. He wasn't supposed to make it sweet. He was supposed to leave it dirty and inappropriate, so I could tell myself all he wanted was sex. That all he cared about was getting me naked, or if not that, then at least seeing me naked. Instead, he turned it sweet. And I couldn't tell myself any lies to keep me on my high horse.

Alpha Jasinda Wilder 2015-03-13 The first time it happened, it seemed like an impossible miracle. Bills were piling up, adding up to more money than I could ever make. Mom's hospital bills. My baby brother's tuition. My tuition. Rent. Electricity. All of it on my shoulders. And I had just lost my job. There was no hope, no money in my account, no work to be found. And then, just when I thought all hope was lost, I found an envelope in the mail. No return address. My name on the front, my address. Inside was a check, made out to me, in the amount of ten thousand dollars. Enough to pay the bills and leave me some left over to live on until I found a job. Enough to let me focus on classes. There was no name on the check, just "VRI Inc.," and a post office box address for somewhere in the city. No hint of identity or reason for the check or anything. No mention of repayment, interest, nothing... except a single word, on the notes line: "You." If you receive a mysterious check, for enough money to erase all your worries, would you cash it? I did. The next month, I received another check, again from VRI Incorporated. It too contained a single word: belong." A third check, the next

month. This time, two words. Four letters. "To me." The checks kept coming. The notes stopped. Ten thousand dollars, every month. A girl gets used to that, real quick. It let me pay the bills without going into debt. Let me keep my baby brother in school and Mom's hospice care paid for. How do you turn down what seems like free money, when you're desperate? You don't. I didn't. And then, after a year, there was a knock on my door. A sleek black limousine sat on the curb in front of my house. A driver stood in front of me, and he spoke six words: "It's time to pay your debt." Would you have gotten in? I did. It turns out \$120,000 doesn't come free.

The Long Way Home Jasinda Wilder 2017-06-30 I need you, Ava. I am desperate. For

you. For touch. For a kiss. For the scrape of your hand down my stomach. For the slide of your lips across my hipbone. The sweep of your thigh against mine in the dulcet, drowning darkness. For the warm huff of your breath on my skin and the wet suck of your mouth around me and the building pressure of need reaching release...I am mad with need. Wild with it. I cannot have you. I have lost you, as I have lost myself. And so I go in search. Of myself, and thus the man who might return to you, and take you in his arms. I loathe each of the thousands of miles between us, but I cannot wish them away, for I hope at the end of my journey I shall find you. Or rather, find myself, and thus...you. Myself, and thus us. I am taking the long way home, Ava. * * * Christian, I'm losing my mind, and I don't know how to stop it. I shouldn't be writing to you, but I am. I'm friendless, loveless, and lifeless. You're out there somewhere, and still you're all I really have. I hate my reliance and dependence on you, emotionally and otherwise, and that reliance is something I'm coming to recognize. I hate that I can't hate you as much as I want to. I hate that I still love you so much. I hate that there's no clear solution to our conundrum. Even if we could forgive each other, what then? I hate you, Christian. I really do. But most of all, I don't. It's complicated. Complicatedly (still) yours, Ava

Duke: Alpha One Security: Book 3 Jasinda Wilder 2016-12-09 Under ordinary circumstances, waking up bound and gagged next to a hot guy wouldn't be the worst thing that's ever happened, but these aren't ordinary circumstances. There's guys with guns after us...LOTS of them--both the guns and the guys. Six-six, built like a god, red hair, blue eyes, and a tree trunk between his legs. Yeah. This is the guy I got kidnapped with. Phrasing is important there: kidnapped WITH, not kidnapped BY.
