Chronicler of the Winds Henning Mankell

2006-04-25 From the bestselling author of the Kurt Wallander mysteries: An “uplifting . . . grittily realistic” fable about war-torn Africa and a mystical orphan boy (The New York Times) A single gunshot cracks the silence of a hot African night. On the rooftop of a local theater company, a ten-year-old boy slowly dies of bullet wounds. He is Nelio, a leader of street kids, rumored to be a healer and a prophet, and possessed of a

strangely ancient wisdom. One of the millions of poor people “forced to eat life raw,” Nelio refuses to be taken to the hospital. Instead, he tells the unforgettable story of his life to a sole witness. Over the course of nine nights, a baker named José Antonio listens as bandits cruelly raze Nelio’s village, propelling him to join the legions of abandoned children living in the streets. A grand act of imagination intended to prove to his comrades that existence must be more than mere survival, cuts Nelio’s life short. As the tale

unfolds, José is forever changed. He becomes the Chronicler of Winds, vowing to reveal Nelio's magical words to all who will listen. Short-listed for the Nordic Council Prize for Literature and nominated for the Swedish Publishers Association's August Prize, *Chronicler of Winds* is a beautifully crafted novel that is a testament to the power of storytelling itself. "Mankell writes eloquently of the realities of poverty and violence without becoming sugary or didactic. . . . An expert craftsman" (The Observer, London).

A Treacherous Paradise Henning Mankell

2013-07-09 From the internationally acclaimed author of the Wallander crime series, a dramatic new standalone novel set in turn-of-the-century Sweden and Mozambique, whose indomitable female protagonist is awoken from naiveté by her exposure to racism, and by her own unexpected inner strengths. Cold and poverty define Hanna Renström's childhood in remote northern Sweden, and in 1905, at 19, she boards a ship for Australia in hope of a better life. But none of her hopes--or fears--prepares her for the life she will

lead. After 2 brief marriages, she finds herself a widow twice over, and the owner of a bordello in Portuguese East Africa, a world where colonialism and white supremacy rule, where she is isolated within society by her profession and her sex, and, among the bordello's black prostitutes, by her colour. As Hanna's story unfolds over the next several years, we watch her in this "treacherous paradise," as she wrestles with a constant, wrenching loneliness and with the racism she's meant to unthinkingly adopt. And as her life becomes increasingly intertwined with the prostitutes, she moves inexorably toward the

moment when she will make a decision that defies every expectation society has of her, and, more importantly, those she has of herself.

The Forgotten Girls Sara Blaedel 2015-02-03 #1 INTERNATIONAL BESTSELLER "One of the best I've come across."-- Michael Connelly, #1 bestselling author of *The Late Show* The body of an unidentified woman has been discovered in a remote forest. A large, unique scar on one side of her face should make the identification easy, but nobody has reported her missing. Louise Rick, the new commander of the Missing Persons Department, waits four long days before pulling

off a risky move: releasing a photo of the victim to the media, jeopardizing the integrity of the investigation in hopes of finding anyone who knew her. The gamble pays off when a woman recognizes the victim as Lisemette, a child she cared for in the state mental institution many years ago. Lisemette was a "forgotten girl", abandoned by her family and left behind in the institution. But Louise soon discovers something even more disturbing: Lisemette had a twin, and both girls were issued death certificates more than thirty years ago. Louise's investigation takes a surprising twist when it brings her closer to her

childhood home. And as she uncovers more crimes that were committed--and hidden--in the forest, she is forced to confront a terrible link to her own past that has been carefully concealed. Set against a moody and atmospheric landscape, *THE FORGOTTEN GIRLS* is twisty, suspenseful, emotionally intense novel that secures Sara Blaedel's place in the pantheon of great thriller writers.

The Inspector and Silence Hakan Nesser

2011-06-14 It's a sweltering summer in Sweden and Chief Inspector Van Veeteren is long overdue for a holiday when a secretive and dubious

religious sect comes under investigation. One of its members, a girl on the cusp of adolescence, is found dead in the forest near their holiday camp, brutally raped and strangled; the discovery of her body has been phoned in by an anonymous caller. The members of the sect, the Pure Life, are led by Oscar Yellinek, a charismatic but unnervingly guarded messiah figure. In an act that mystifies and infuriates Van Veeteren and his associates, the members of the Pure Life choose to remain silent about the incident rather than defend themselves. But an unidentified woman is continuing to assist the authorities, and her

knowledge suggests she's more than just a passing Good Samaritan. Her tips become doubly perplexing as a new string of increasingly horrifying crimes defy everything Van Veeteren and his team thought they knew about the case. A riveting new addition to Håkan Nesser's acclaimed series, *The Inspector and Silence* is suspense at its haunting best.

The Eye of the Leopard Henning Mankell

2011-07-26 From the creator of the acclaimed Kurt Wallander series: A thrilling story set in Sweden and Zambia "told with heart-stopping tension" (Entertainment Weekly). Interweaving past and present, *The Eye of the Leopard* draws

on bestselling author Henning Mankell's deep understanding of both Scandinavia and post-colonial Africa. Hans Olofson arrives in Zambia in the 1970s, at the start of its independence. There, he hopes to fulfill the missionary dream of a boyhood friend who was unable to make the journey. But he is also there to flee the traumas of his motherless childhood in provincial Sweden: his father's alcoholism, his best friend's terrible accident, his fear of an ordinary and stifled fate. Africa is a terrible shock, yet he stays and makes it his home. In all his years as a mzungu, a wealthy white man among native blacks, he never

comes to fully understand his adoptive home, or his precarious place in it. Rumors of an underground army of revolutionaries wearing leopard skins warn him that the fragile truce between blacks and whites is in danger of rupturing. Alternating between Hans's years in Africa and those of his youth in Sweden, *The Eye of the Leopard* is a bravura achievement and a study in contrasts—black and white, poor and wealthy, Africa and Europe—both sinister and elegiac. “Mankell’s novels are a joy.” —USA Today “A fascinating novel . . . [the] prose is powerful, and the narrative of *The Eye of the*

Leopard is profound.” —BookReporter “A thought-provoking, multilayered novel whose themes will challenge and linger.” —The Courier Mail “Mankell is a master of atmosphere and suspense.” —Los Angeles Times “Mankell’s novels are the best Swedish export since flatpack furniture.” —The Guardian “Beautiful, heartbreaking, yet ultimately hopeful . . . His family is falling apart, he's gaining weight, and he drinks too much and sleeps too little. Tenacious and

levelheaded in his sleuthing, he and his colleagues must contend with a wave of violent xenophobia as they search for the killers. Winner of the Sweden's Best Mystery Award and the first installment in the series that inspired the PBS program Wallander starring Kenneth Branagh, Faceless Killers is a razor-sharp, stylishly dark police procedural with searing social commentary that reaches beyond its genre to produce "a superior novel—and a harbinger of great things to come" (Booklist).

The Fifth Woman Henning Mankell 2000-08-01
From the #1 international-bestselling master of Scandinavian noir: a “marvelously told mystery” of murder in Sweden and corruption in Africa

(Austin American-Statesman). In an African convent, four nuns and an unidentified fifth woman are found with their throats slit. The local police do little to investigate . . . and cover up the unknown woman's death. A year later in Sweden, Holger Eriksson, a retired car dealer and birdwatcher, is skewered to death after falling into a pit of carefully sharpened bamboo poles. Soon after, the body of a missing florist is discovered strangled and tied to a tree. Baffled and appalled by the crimes, the only clues Inspector Kurt Wallander has to go on are a skull, a diary, and a photo of three men. What ensues is a complex,

meticulously plotted investigation that will push the detective to his limits. The key is the unsolved killing of the fifth woman in Africa—who was she, and what did she have to do with the brutal deaths of two seemingly innocent men? Are more victims in danger? The answers will lead Wallander to question everything he thought he knew about the psychology of murder. An international bestseller, this “scary and cunning tale” (Rocky Mountain News) “achieves the satisfying density of plot and characterization” that established Henning Mankell as one of the twentieth-century’s finest crime writers. His Kurt

Wallander mysteries are now the basis for the hit TV show Wallander starring Kenneth Branagh (The Baltimore Sun).

hamlet of Hesjövalle, a horrific scene is discovered: nineteen people have been tortured and massacred and the only clue is a red silk ribbon found at the scene. Judge Birgitta Roslin has a particular reason to be shocked by the crime: her mother's adoptive parents, the Andrén, are among the victims. Investigating further, she learns that an Andrén family living in Nevada has also been murdered. Travelling to Hesjövalle, she finds a diary, kept by a gangmaster on the railway built across America in the 1860s, full of vivid descriptions of the brutality with which the Chinese and other slave workers

were treated. She discovers that the red silk ribbon found at the crime scene came from a local Chinese restaurant, and she learns that a Chinese man, a stranger to the town, was staying at a local boarding house at the time of the atrocity. The police insist that only a lunatic could have committed such a horrific crime, but Birgitta suspects that there is much more to it, and she is determined to uncover the truth. Her search takes her from Sweden to Beijing and back, but Mankell's narrative also takes us 150 years into the past: to China and America when the hatred that fuelled the massacre was born, a hatred

transformed and complicated over time and that will catch up to Birgitta as she draws ever closer to discovering who is behind the Hesjöwallen murders.

Blood from a Stone Donna Leon 2007-12-01

When an immigrant dies on a Venice street, it will take a determined detective to pursue the case to its shocking end: “[An] outstanding series.”

—Marilyn Stasio, *The New York Times Book Review* On a cold Venetian night shortly before Christmas, a street vendor is killed in a scuffle in Campo San Stefano. The closest witnesses to the event are the tourists who had been browsing the man's wares before his death—fake handbags of every designer label. The dead man was one of the many African immigrants purveying goods outside normal shop hours and trading without a work permit. Once Commissario Guido Brunetti

begins to investigate this unfamiliar Venetian underworld, he discovers that matters of great value are at stake within the secretive society. And his boss's warning to avoid getting involved only makes Brunetti more determined to unearth the truth behind this mysterious killing. "[A] stunning novel . . . an engrossing, complex plot." —Publishers Weekly, starred review "The appeal of Guido Brunetti, the hero of Donna Leon's long-running Venetian crime series, comes not from his shrewdness, though he is plenty shrewd, nor from his quick wit. from our own days at the office or nights around the dinner table. Crime fiction for those willing to grapple with, rather than escape, the uncertainties of daily life." —Booklist

A few days later, two elderly sisters are killed in an explosion in a sewing supplies shop. Traces of an advanced explosive are found in the burnt-out shop and evidence soon mounts to indicate that

both events are tied to a showdown between two rival narcotics gangs.

Italian Shoes Henning Mankell 2005-12-01 The bestselling author of the Kurt Wallander series delivers a “short, beautiful, and ultimately life-affirming novel” about the path to self-acceptance (Booklist). From the prize-winning “master of atmosphere” comes the surprising and affecting story of a man well past middle age who suddenly finds himself on the threshold of renewal (The Boston Globe). Living on a tiny island that is surrounded by ice during the long winter months, Fredrik Welin is so lost to the

world that he cuts a hole in the ice every morning and lowers himself into the freezing water to remind himself that he is alive. Haunted by memories of the terrible mistake that drove him to this island and away from a successful career as a surgeon, he lives in a stasis so complete that an anthill grows undisturbed in his living room. When an unexpected visitor disrupts this frigid existence, Frederik begins an eccentric, elegiac journey—one that displays the full height of Henning Mankell’s storytelling powers. A deeply human tale of loss and redemption, Italian Shoes is “a voyage into the soul of a man” expertly

crafted with “snares that Mankell has hidden with a hunter’s skill inside this spectral landscape” (The Guardian). “Beautiful.” –The Boston Globe
“A fine meditation on love and loss.” –The Sunday Telegraph “Intense and precisely detailed. . . . A hopeful account of a man

released from self-imposed withdrawal.” –The Independent “The creator of police detective Kurt Wallander presents a tale of mortal reckoning in which all the deaths are natural but none the less powerful.” –Kirkus Reviews
